**INFORMATION DISCLOSURE STATEMENT (37 C.F.R. § 1.97(b))**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant thanks the Examiner for the allowable subject matter. In response to the Examiner's phone call on or about March 12, 2008 indicating the allowance, the Examiner requested that a corrected IDS be provided for the one originally submitted to the U.S. Patent Office on or about October 12, 2001. The Examiner noted that the original IDS lacked dates for the non-patent references listed therein. Although the Examiner properly considered and entered the original IDS on September 25, 2004, a corrected IDS is being provided herewith to add the print date for each entry as you requested.

With regard to the items of information listed on the enclosed SB08 form, please note that the print dates of each non-patent reference precede the application filing date by about ten weeks.

To the extent that a formal IDS filing is required, this statement should be considered because it is submitted before the mailing date of a first Office Action on-the-merits after the filing or a request for continued examination. Accordingly, no fee is due for consideration of the items listed on the enclosed SB08 form.

In accordance with 37 C.F.R. §1.98(a)(2), a copy of each foreign patent document and non-patent literature listed on the enclosed SB08 form is provided.

No representation is made that a reference is "prior art" within the meaning of 35 U.S.C. §§ 102 and 103 and Applicants reserve the right, pursuant to 37 C.F.R. § 1.131 or otherwise, to

establish that the reference(s) are not “prior art.” Moreover, Applicants do not represent that a reference has been thoroughly reviewed or that any relevance of any portion of a reference is intended.

Consideration of the items listed is respectfully requested. Pursuant to the provisions of M.P.E.P. 609, it is requested that the Examiner return a copy of the attached SB08 form, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Please charge any additional fees or credit any overpayment to Deposit Account No. 503025.
